THE SCO GROUP, INC.

Plaintiff/Counterclaim-Defendant,

v.

INTERNATIONAL BUSINESS
MACHINES CORPORATION,

Defendant/Counterclaim-Plaintiff.

**MOTION FOR RECONSIDERATION
OF NOVEMBER 29TH ORDER**

Case No. 2:03CV0294DAK
Honorable Dale A. Kimball
Magistrate Judge Brooke C. Wells

Plaintiff, The SCO Group, Inc., by and through undersigned counsel, moves for reconsideration of this Court's Order dated November 29, 2006, which affirmed in total the Magistrate Judge's Order of June 28, 2006, wherein the Magistrate Judge struck 187 technology disclosures from the case. SCO respectfully submits that the rules of procedure do not support such a result under the circumstances of this case.

The grounds for this motion are new evidence previously unavailable, and the need to correct clear error or prevent manifest injustice. SCO respectfully requests that this Court reconsider the Order to allow for consideration of new evidence not in the original record and to prevent manifest injustice. The Magistrate Judge did not have, at the time she entered the Order striking SCO's claims, the benefit of the expert reports prepared in this action.

SCO also seeks leave to reopen four depositions of IBM programmers, each reopened deposition not to exceed two hours, for the purpose of exploring an evidentiary issue important to IBM's Motion.

Last, the December Submission did comply with the required level of specificity by providing a URL address on which numerous patches – all of which indicate file, version and line – at the Tab linked to Items 279 and 280.

For the foregoing reasons, SCO prays that this Court will reconsider its Order of November 29, 2006, and grant relief as requested above.

DATED this 13th day of December, 2006.
